

# **Instructions For Phase-III Registration**

1. Enter Team Id and click on Submit it.
2. You will get details of your team. In case you need to change any details you can do that using Phase-I registration.
  - i.e. For adding member
  - For delete member
  - Register new team etc.Link: <http://projects.gtu.ac.in:88/Colleges/Registration>
3. If you are not submitted details in Phase-2, fill up from selecting Phase-II option from menu.
3. Now, Students need to fill in all details: Problem Summary, Detail description of Problem, Expected Outcome etc.
4. Once each detail is filled in, you can submit your detail. In case you need to update detail, go again with entering team id and update it.
5. If you feel you are done with updates and all, you can generate final pdf for the same.
6. This pdf needs to be submitted to college representative of particular department.
9. Website is best viewed in Google Chrome or Mozilla Firefox
